

**Welcome  
to  
Sinclair & Rush,  
Global Manufacturer**

## Experienced in Product Protection

With over 50 years of experience, Sinclair & Rush has grown to become the worldwide leader in product protection solutions. We attribute this success to our family of companies all representing the common ideal of supplying high-quality protective coverings for a wide range of industries and markets. Additionally, all Sinclair & Rush companies are committed to providing the best in customer service through help with product selection, ease of ordering, and post-sale attention. We will partner with you to select the best product protection solution for your application.

With manufacturing plants on four continents, we are a true global supplier to over 20,000 customers worldwide. Let us show you how Sinclair & Rush can add value to your products. Visit [www.sinclair-rush.com](http://www.sinclair-rush.com) today and click on any division logo for more information.
